Patrick Maguire, Esquire, General Counsel

Amy Lettelleir, Chief Financial Officer

Robert Frey, AICP, Director of Planning

David May, Director of Expressway Operations

Susan Chrzan, Director of Communications

Rafael Hernandez, Director of Toll Operations

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Tampa-Hillsborough County Expressway Authority's ("Authority") annual report presents our discussion and analysis of its financial performance during the fiscal year ended June 30, 2018.

FINANCIAL HIGHLIGHTS

The assets and deferred outflows of resources of the Authority exceeded its liabilities and deferred inflows at the close of the fiscal year by \$365,579,881.

Change in net position for fiscal year ended June 30, 2018 totaled \$51,560,475.

Investments increased by approximately \$206,000,000 from the prior year.

Construction work in progress increased by approximately \$79,000,000 from the prior year.

Long-term revenue bonds payable increased by approximately \$227,580,000 from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report consists of four parts; Management's Discussion and Analysis, Financial Statements, Supplementary Information, and Regulatory Reports. The Financial Statements also include notes that explain in more detail some of the information contained therein.

REQUIRED FINANCIAL STATEMENTS

The Financial Statements of the Authority report information about the Authority using accounting methods similar to those used by private sector companies. These statements offer short and longterm financial information about its activities. The Statement of Net Position includes all of the Authority's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and the obligations to Authority creditors (liabilities). It also provides the basis for computing rate of return, evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority. All of the current year revenues and expenses are accounted for in the Statement of Revenues. Expenses and Changes in Net Position. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through user fees and other charges, profitability, and credit worthiness. The final required financial statement is the Statement of Cash Flows. The primary purpose of this statement is to provide information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments and net changes in cash resulting from operations, investing, and financing activities and provides answers to such questions as where cash came from, what was cash used for, and what was the change in cash balance during the reporting period.

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

In addition to the basic financial statements and accompanying notes, this report also presents certain supplementary information concerning the Authority's trend data on infrastructure condition.

FINANCIAL ANALYSIS OF THE AUTHORITY

The Statement of Net Position presents information on all of the Authority's assets and deferred outflows, and liabilities and deferred inflows, with the difference between them reported as net position. The net position, the difference between assets and liabilities, is one way to measure the financial health or financial position.

Over time, increases or decreases in the Authority's net position is one indicator of whether its financial health is improving or deteriorating. However, other non-financial factors should be considered, such as economic conditions, population growth, and changing government legislation.

NET POSITION

The following table summarizes the Authority's Statement of Net Position (in millions):

	 2018	 2017		2016
			_	
Unrestricted current assets	\$ 29.34	\$ 14.18	\$	13.66
Restricted current assets	32.56	22.47		16.65
Restricted assets				
Cash and investments	361.35	166.92		142.75
Receivables and other	11.00	21.77		16.40
Capital assets				
Property and equipment - net	739.85	741.06		742.25
Construction in progress	 105.77	 26.76		7.62
Total assets	1,279.87	 993.16		939.33
Deferred outflow of resources	30.50	28.64		29.84
Deferred dufflow of resources	30.30	20.04		25.04
Current liabilities	1.14	0.77		0.59
Restricted current liabilities	32.56	22.47		16.65
Long-term debt				
Bonds payable	693.64	467.99		474.68
Due to other governments	213.83	213.83		213.84
Pension liability	3.47	 2.69		1.49
Total liabilities	944.64	 707.75		707.25
Deferred inflow of resources	0.15	0.03		0.25
Net position				
Invested in capital assets, net of related debt	181.17	189.26		161.89
Restricted	165.13	111.21		86.61
Unrestricted	19.28	 13.55		13.17
Total net position	\$ 365.58	\$ 314.02	\$	261.67

As can be seen from the above table, restricted cash and investments increased \$194.43 and construction in progress increased by \$79.01 million which is a result of a bond issuance during the year which increased bonds payable by \$225.65 million and an increase in net position of \$51.56 million. During the year ended June 30, 2018 the Authority had a strong operational performance despite a loss of 3% in toll revenues mainly due to suspended tolls due to a declared state of emergency by the Governor of the State of Florida.

NET POSITION - Continued

The following table summarizes the Authority's Statement of Revenues, Expenses, and Changes in Net Position (in millions):

	2018		018 2017		 2016
Toll revenues Expenses Operating expenses	\$	82.72 10.16	\$	84.98 15.08	\$ 80.12 10.51
General and administrative		5.60		4.50	3.77
Total expenses		15.76		19.58	14.28
Operating net income		66.96		65.40	65.84
Net non-operating expenses		(22.88)		(18.24)	(18.96)
Income before capital grants		44.08		47.16	46.88
Capital grants		7.48		5.19	 0.79
Increase in net position		51.56		52.35	47.67
Net position at beginning of year		314.02		261.67	214.00
Net position at end of year	\$	365.58	\$	314.02	\$ 261.67

While the Statement of Net Position shows the change in financial position, the Statement of Revenues, Expenses, and Changes in Net Position, provides details as to the nature and source of these changes. As can be seen from the above table, revenues decreased over the past year due to tolls being suspended for 16 days under a State of Emergency. This was offset by a strong performance due to an upswing in the economy and population growth of the area, which all contributed to increased traffic for fiscal year 2018. Operating expenses decreased \$3.82 million which was related to large renewal and replacement expenses for cleaning of the reversible lane structures, thermoplastic pavement markers and the resurfacing of the Meridian and Brandon roads in 2017.

BUDGETARY PROCESS

The Authority's Operating Budget is recommended by the Finance and Budget Committee of the Authority's governing board. The budget is based upon a review of current revenues and expenditures and the projected future funding needs of the Authority for administration, operations, maintenance, and the annual approved work program. The budget is then approved by the Authority's governing board.

The development of the Authority's five-year work program is a combined effort between the Executive Director and the Directors of Planning, Roadway Operations, Toll Operations and the Chief Financial Officer. Annual updates to the work program will be presented to the Authority's governing board for approval in conjunction with the annual budget.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital assets consist of the following:

	June 30, 2017	Additions	Deletions	June 30, 2018
Assets subject to depreciation				
Buildings and improvements	\$ 10,677,826	\$ -	\$ -	\$ 10,677,826
Furniture and equipment	27,416,790	-	-	27,416,790
Vehicle	56,619			56,619
	38,151,235	-	-	38,151,235
Less accumulated depreciation	(27,840,912)	(1,177,173)		(29,018,085)
	10,310,323	(1,177,173)	-	9,133,150
Assets not subject to depreciation				
Infrastructure	730,751,405		(31,093)	730,720,312
Total property and equipment	\$ 741,061,728	\$ (1,177,173)	\$ (31,093)	\$739,853,462
Construction in progress	\$ 26,757,879	\$ 79,009,692	\$ -	\$105,767,571

The Authority's investment in capital assets includes buildings, improvements, furniture and equipment and roads. Additionally, the Authority added approximately \$79.01 million of construction in progress improvements related to the Selmon West Extension, Connected Vehicle project and various other projects.

INFRASTRUCTURE PRESERVATION

It is the policy of the Authority that it will take all necessary actions to ensure that infrastructure assets are maintained, repaired, renewed and, when needed, replaced, so as to last indefinitely. Depreciation is not recorded as long as the infrastructure assets are maintained at the level established by the Authority. Routine maintenance and renewal and replacement costs are expensed annually. The Authority's policy is to maintain the roadway condition and a Maintenance Rating Program (MRP) rating 90 or better. The Authority's GEC has determined that the overall rating of the Expressway System in the Florida Department of Transportation's Maintenance Rating Program exceeds minimum standards. For fiscal year 2018, preservation expenses were \$2,749,123.

Anticipated major renewal and replacement activities have been identified and included in the five-year work program. A \$10 million renewal and replacement reserve has been established by the Authority.

SIGNIFICANT EVENTS

During the year, significant progress was made on the Selmon West Extension to the Gandy Bridge. Approximately \$62 million was added to Construction in Progress related to this project. The project is being funded by the Series 2017 Bonds discussed below.

LONG TERM DEBT

In December 2012, the Authority issued \$192.43 million in Tampa-Hillsborough County Expressway Authority Refunding Revenue Bonds, Series 2012A, \$141.73 million in Tampa-Hillsborough County Expressway Authority Refunding Revenue Bonds, Series 2012B, \$35.04 million in Tampa-Hillsborough County Expressway Authority Taxable Revenue Bonds, Series 2012C; and \$70.1 million in Tampa-Hillsborough County Expressway Authority Taxable Refunding Revenue Bonds, Series 2012D. The refunding bond issues were used to refund the remaining 2002 (\$73.9 million) and the 2005 (\$248.3 million) bonds. The bonds were issued under a new Tampa-Hillsborough County Expressway Authority Master Bond Resolution.

During the year ended June 30, 2018, the Authority issued \$157,780,000 in Tampa-Hillsborough County Expressway Authority Revenue Bonds, Series 2017; \$152,410,000 in Tampa-Hillsborough County Expressway Authority Refunding Revenue Bonds, Series 2017B; and \$36,190,000 in Tampa-Hillsborough County Expressway Authority Revenue Bonds, Series 2017C. The funds were used to refund the series 2012B Bonds; the fund Selmon West Extension Project which includes the construction of 2.5 miles of elevated roadway over a portion of the existing Gandy Boulevard in South Tampa; and fund South Selmon Expressway Improvement Project and Meridian Ultimate Improvement Project.

The Series 2012 Bonds were rated A- by Standards & Poor's and A3 by Moody's Investors Services. On February 4, 2014, the bonds were upgraded to a rating of A by Standards & Poor's. Moody's upgraded the bonds to a rating of A2 on December 15, 2016. The Series 2017, 2017B and 2017C bonds were rated A by Standards & Poor's and A2 by Moody's Investors Services.

The Authority has amounts due to the Florida Department of Transportation (the "Department") for prior payments of operation and maintenance costs of the expressway system and renewal and replacement costs which occurred under the LPA that was terminated in December 2012; (\$200.4 million). The Authority also owes the Department \$13.8 million in State Transportation Trust loans and interest. The Authority has agreed to repay the Department in twenty annual payments beginning July 1, 2025.

Pursuant to the Authority's Resolution #659 and Tampa-Hillsborough County Expressway Authority Master Bond Resolution, the Traffic and Revenue Engineer is required to, and has, certified that pledged funds estimated for fiscal year 2019 will be sufficient to comply with estimated bond payments as required by the terms of the Master Resolution.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Between 2007 and 2010, there was a downturn in traffic levels and vehicles miles traveled due to the recession. Many toll facilities experienced year-on-year reductions in traffic and revenue falling well below prior growth projects. The growth trend has turned positive and economic activity is expected to see a return to long-term growth. Analysis by the Authority's Traffic and Revenue Engineer shows that traffic growth on the expressway is directly related to the population growth of west-central Florida. Hillsborough County population growth is expected to have a strong 1% average annual growth rate from 2015 through 2025. When preparing the FY2019 budget, population growth and its correlation to traffic was taken into consideration.

CONTACTING THE AUTHORITY'S MANAGEMENT

The financial report is designated to provide our citizens, customers, investors, and creditors with a general overview of the Authority's finances and to demonstrate the Authority's accountability for the money it receives.

If you have questions about this report or need additional information, contact the Tampa-Hillsborough County Expressway Authority's Chief Financial Officer at 1104 East Twiggs Street, Suite 300, Tampa, Florida 33602, phone number 813-272-6740.

INDEPENDENT AUDITORS' REPORT

Distinguished Members of the Authority Tampa-Hillsborough County Expressway Authority

Report on the Financial Statements

We have audited the accompanying financial statements of the Tampa-Hillsborough County Expressway Authority (the "Authority") as of and for the years ended June 30, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Authority as of June 30, 2018 and 2017 and the respective changes in net position, and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 2 - 6) Trend Data on Infrastructure Condition (page 39) and pension schedules (pages 40 - 41) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Requirements Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2019, on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS

June 30, 2018 and 2017

NOTE A - ORGANIZATION AND REPORTING ENTITY

Tampa-Hillsborough County Expressway Authority (the "Authority") was created as a body politic, corporate, and an agency of the State of Florida, under Chapter 348, Part IV, Sections 348.50, et seq., Florida Statutes, effective July 1, 1974. It was created for the purposes of and having the power to construct, reconstruct, improve, extend, repair, maintain and operate the expressway system within Hillsborough County, Florida.

The Authority's governing body consists of a board of seven members (the "Board"). Four members are appointed by the Governor of the State of Florida, subject to confirmation by the State Senate. Serving as ex-officio members are: the Mayor of the City of Tampa, Florida (the "City"), or his/her designee; one member of the Board of County Commissioners of Hillsborough County, Florida (the "County"), selected by such board; and, the District Secretary of the Florida Department of Transportation ("FDOT") serving the district that contains the County, currently District Seven.

The Authority has been determined to be an "Independent Special District", as described in Section 189.403, Florida Statutes, and is a "Related Organization" of the State of Florida, which is referred to as the "Primary Government." The State of Florida appoints a voting majority of the board but does not have financial accountability.

The Authority is a stand-alone entity for financial reporting purposes; there are no component units included in the accompanying financial statements, and the Authority is not considered a component unit of another entity.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the Authority's significant accounting policies consistently applied in the preparation of the accompanying general-purpose financial statements follows:

1. Basis of Accounting

The Authority accounts for its activities through use of an enterprise fund. Enterprise funds are used to account for activities similar to those found in the private sector, where the determination of a change in financial position is necessary or useful for sound financial administration (business-type activities). Since the Authority only has business-type activities, it is considered a special-purpose government for financial reporting under Governmental Accounting Standards Board (GASB) No. 34 Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments (GASB 34). Accordingly, the Authority only presents fund financial statements as defined by GASB 34. The Financial Statements are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses when incurred.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

2. Cash and Cash Equivalents

Cash and investments with a maturity of three months or less when purchased are considered cash equivalents.

3. Investments

Investments consist of deposits in investment pools and specific accounts maintained by the Treasurer of the State of Florida and commercial banks.

4. Accounts Receivable

On September 17, 2010 the Authority converted the Selmon Expressway to all electronic tolling. Tolls are collected through the use of either SunPass or Video Toll Collection (VTC). VTC utilizes cameras to record license plate images and a bill for the tolls is sent to the registered owner of the vehicle. The unpaid tolls are recorded as an accounts receivable.

The Authority records accounts receivable at estimated net realizable value. Accordingly, accounts receivable at June 30, 2018 and 2017 are shown net of allowances for doubtful accounts. The Authority has set their allowance for doubtful accounts at approximately \$5,487,000 and \$4,604,000 at June 30, 2018 and 2017, respectively.

5. Debt Service Payments

Debt service payments of principal are recorded at the time funds are disbursed to the paying agent while interest is recorded in the period it relates to. Funds disbursed to the paying agent are no longer under the control of the Authority and cannot be retrieved by the Authority. Principal payments are due on July 1 of each year. Interest payments are due on each January 1 and July 1. In effect, debt service payments of principal will not be recorded until paid, but interest will be recorded and accrued for the amount due on July 1, at the end of the fiscal year.

6. Bond Premiums and Discounts

Bond premiums and discounts are amortized over the life of the related bond issued, which approximates the effective interest method. Bond premiums and discounts are presented as an addition and a reduction, respectively to the bond payable balances.

7. Construction in Progress

Costs associated with the construction of new infrastructure assets or betterments of existing infrastructure assets are recorded as construction in progress. Upon completion of construction or betterment of an asset, the construction in progress account is closed to the infrastructure asset account.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

8. Property and Equipment

Infrastructure assets, roadways and bridges, are recorded at historical cost, including the costs of right of way, engineering fees, and construction cost. Furniture and equipment, including toll collection equipment, are recorded at historical cost plus the cost of installation for toll collection equipment. The Authority capitalizes asset acquisitions over \$5,000.

9. <u>Depreciation</u>

Depreciation of toll equipment, buildings, toll facilities, and furniture and equipment is computed using the straight-line method over the estimated useful lives of the assets as follows:

Buildings 36 years
Electronic toll collection equipment 5 - 10 years
Furniture and equipment 5 years
Computers and software 3 years

The preservation method of accounting is used for infrastructure assets; roads, bridges and other highway improvements with indefinite lives. It is the policy of the Authority that all necessary actions will be taken to ensure that its infrastructure assets will be maintained, repaired, renewed and, when needed, replaced so as to last indefinitely. Depreciation is not recorded as long as the infrastructure assets are maintained at the level established by the Authority. In the event the infrastructure assets of the expressway system fall below acceptable standards of condition established by the policy, a special "contra asset" account will be established against the capital asset that was determined to be deficient in an amount equal to the cost required to restore the asset to an acceptable standard. The Authority's consulting engineer is required to provide a cost estimate of the amount required to bring the asset up to the established standard. Routine maintenance costs and renewal and replacement costs, since they are needed to preserve the value of existing infrastructure assets, are expensed annually. This treatment is consistent with practices of other similar entities within the toll bridge, turnpike and tunnel industry.

10. New GASB Pronouncements

GASB Statement 89, Accounting for Interest Cost Incurred before the End of a Construction Period, was issued June 2018 and was early adopted by the Authority during the year ended June 30, 2018. The objective of this statement is to enhance the relevance and comparability of the information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for interest cost incurred before the end of a construction period. The statement is to be applied prospectively, as such there were no material adjustments to the financial statements. Interest cost incurred prior to the end of a construction period are expensed in the period they are incurred.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

11. Deferred Outflows of Resources

The Deferred Outflows of Resources on refunding of revenue bonds is the difference between the reacquisition price and the net carrying amount of refunded bonds presented on the statement of net position at June 30, 2018 and 2017 as a deferred outflow of resources in the amounts of \$28,402,608 and \$26,956,765, respectively. The amortization period of deferred refunding losses is the remaining life of the old debt or the life of the new debt, whichever is shorter.

The Deferred Outflows of Resources on the pension liability relates to pre-payments of future pension contributions and other proportionate share changes of the pension liability since the last measurement date. This totaled \$2,095,190 and \$1,686,785 for the years ended June 30, 2018 and 2017, respectively.

12. <u>Deferred Inflows of Resources</u>

The Deferred Inflows of Resources on the pension liability relates to differences between expected and actual earnings on pension investments. This totaled \$148,006 and \$20,338 at June 30, 2018 and 2017, respectively.

13. Restricted Funds

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first and then unrestricted resources when they are needed.

14. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates that affect certain reported amounts and disclosures. These estimates are based on management's knowledge and experience. Accordingly, actual results could differ from these estimates.

15. Operating Revenues and Expenses

The Authority's operating revenues and expenses consist of revenues earned and expenses incurred relating to the operations and maintenance of the Expressway System. All other revenues and expenses are reported as non-operating revenues and expenses.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

16. <u>Budgets and Budgetary Accounting</u>

The Authority follows the following procedures in establishing budgetary data:

The Authority's operating budget is recommended by the Finance and Budget Committee of the Authority's governing board. The budget is based upon a review of current revenues and expenditures and the projected future funding needs of the Authority for administration, operations, maintenance, and the annual approved work program. The budget is then approved by the Authority's governing board.

The Authority's renewal and replacement and capital improvement projects budget is recommended by the Finance and Budget Committee of the Authority's governing board, based on the first year of the submitted five-year capital projects program.

17. Reclassifications

Certain amounts previously reported in the financial statements from the prior year have been reclassified in order for them to be in conformity with the current year presentation.

NOTE C - CASH AND INVESTMENTS

The total carrying amounts of the Authority's cash and investments (unrestricted and restricted) was \$407,960,131 and \$203,725,363 with a fair value of \$407,552,717 and \$203,569,803 at June 30, 2018 and 2017, respectively. Cash consists of deposits with the Florida State Treasurer, local government investment pools and commercial banks at June 30, 2018 and 2017. Investments are reported at fair value in the accompanying financial statements.

Deposits are maintained with commercial banks that are organized under the laws of the United States of America or the State of Florida and are insured by the Federal Deposit Insurance Corporation to legal limits. Security for deposits in excess of insured levels is provided by the requirements of the "Florida Security for Public Deposits Act", Chapter 280, Florida Statutes. In accordance with these statutes, qualified public depositories are required to pledge eligible collateral in varying percentages. Any losses to public depositors are covered by applicable deposit insurance, by the sale of pledged securities, and if necessary, by assessments against other qualified public depositories.

The following is the percent of any issuer with whom the Authority had invested more than 5% of the Authority's total portfolio as of June 2018 and 2017:

lssuer	2018	2017
Regions Bank	0%	93.85%
US Bank	96.94%	0%

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE C - CASH AND INVESTMENTS - Continued

Section 218.415, Florida Statutes, authorizes the Authority to invest surplus funds in the following:

- a. The Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, as provided in Florida Statue 163.01.
- b. Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency.
- c. Interest bearing time deposits or savings accounts in qualified public depositories, as defined in Florida Statues 280.02.
- d. Direct obligations of the U.S. Treasury.

All investments held by the Florida Treasury Investment Pool at June 30, 2018 and 2017 were categorized as category 3 investments, were uninsured and unregistered, and were held by the Authority's custodian, but not in the Authority's name. The Florida Treasury Investment Pool was rated by Standard and Poor as A+ at June 30, 2018 and 2017. Additionally, the effective duration on the Florida Treasury Investment Pool is 3.00 years and 2.80 years at June 30, 2018 and 2017, respectively.

As of June 30, 2018 and 2017, \$4,743,970 and \$4,619,851, respectively, was collateralized by the State of Florida collateral pool, which is a multiple financial institution pool with the ability to assess its members for collateral shortfalls if any of its member institutions fail. Required collateral is defined under Chapter 280 of the Florida Statutes, Security for Public Deposits.

As of June 30, 2018 and 2017, other than the investments in the Florida Treasury Investment Pool, all of the investments are in the Authority's name.

Certain cash and investments totaling and carried at \$394,322,093 and \$189,228,642, with a fair value of \$393,903,955 and \$189,393,835 as of June 30, 2018 and 2017, respectively, are restricted as to their use by agreements or bond covenants.

The Authority categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

Money market funds and certificates of deposits; Consist of cash deposits with financial institutions and money market funds. The Authority uses quoted market prices of identical assets on active exchanges, or Level 1 measurements.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE C - CASH AND INVESTMENTS - Continued

Investments: Primarily consist of fixed income funds. The Authority uses quoted market prices of identical assets on active exchanges, or Level 1 measurements.

Pooled Short-Term Investments: Consist of pooled investments with the state treasurer and FLCLASS (local government investment pool) which is valued at the quoted market price of the issuer or Level 2 measurements.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Authority believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Authority's investments at fair value as of June 30, 2018 and 2017:

June 30, 2018	Fair Value	Level 1	Level 2	Level 3

NOTE E - LONG-TERM DEBT

Long-term debt consists of revenue bonds payable and amounts due to other governmental entities, as follows:

1. Revenue Bonds Payable

The Authority issued \$334,165,000 in Tampa-Hillsborough County Expressway Authority Refunding Revenue Bonds, Series 2012A and 2012B; \$40,420,000 in Tampa-Hillsborough County Expressway Authority Taxable Revenue Bonds, Series 2012C; and \$70,105,000 in Tampa-Hillsborough County Expressway Authority Taxable Refunding Revenue Bonds, Series 2012D during the year ended June 30, 2013. The funds were used to refund the Series 2002 and Series 2005 bonds; payoff the SIB and TFRTF loans; fund the Authority's portion of the I-4/Selmon Connector project and the AET conversion; and fund reserves for debt service, operations, maintenance and administration and renewal and replacement.

During the year ended June 30, 2018, the Authority issued \$157,780,000 in Tampa-Hillsborough County Expressway Authority Revenue Bonds, Series 2017; \$152,410,000 in Tampa-Hillsborough County Expressway Authority Refunding Revenue Bonds, Series 2017B; and \$36,190,000 in Tampa-Hillsborough County Expressway Authority Revenue Bonds, Series 2017C. The funds were used to refund the series 2012B bonds; fund Selmon-West Extension Project which includes the construction of 2.5 miles of elevated roadway over a portion of the existing Gandy Boulevard in South Tampa; and fund South Selmon Expressway Improvement Project and Meridian Ultimate Improvement Project.

Bonds payable as of June 30, are as follows:

	2018	2017
Series 2012A bonds payable Serial bonds due from July 1, 2016 through July 1, 2032, bearing interest from 3.00% to 5.00%	\$ 97,850,000	\$ 97,850,000
Term bonds due July 1, 2037, bearing interest at 5.00%	93,035,000	93,035,000
Term bonds due July 1, 2037, bearing interest at 4.00%	1,550,000 192,435,000	1,550,000 192,435,000
Series 2012B bonds payable Term bonds due July 1, 2042, bearing interest at 5.00%		141,730,000
Series 2012C bonds payable Serial bonds (taxable) due from July 1, 2015 through July 1, 2021, bearing interest from 1.32% to 3.04%	29,865,000	35,040,000
Series 2012D bonds payable Serial bonds (taxable) due from July 1, 2021 through July 1, 2026, bearing interest from 3.04% to 3.84%	70,105,000	70,105,000

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE E - LONG-TERM DEBT - Continued

	2018	2017
Series 2017 bonds payable Term bonds due July 1, 2047, bearing interest at 5.00%	157,780,000	
Series 2017B bonds payable Serial bonds (taxable) due from July 1, 2019 through July 1, 2037,		
bearing interest from 4.00% to 5.00%	18,925,000	- ,
Term bonds due July 1, 2042, bearing interest at 4.00%	133,485,000	
	152,410,000	
Series 2017C bonds payable		
Term bonds due July 1, 2048, bearing interest at 5.00%	36,190,000	
Total bonds payable	638,785,000	439,310,000
Plus unamortized premium	61,960,820	33,855,290
	700,745,820	473,165,290
Less current portion	(7,110,000)	(5,175,000)
Long-term portion	\$ 693,635,820	\$467,990,290

The Series 2012, Series 2017, Series 2017B and Series 2017C Bonds are secured by a pledge of, and lien on, the net system revenues of the expressway system less the cost of operations, maintenance, and administrative expenses.

Debt service requirements to maturity at June 30, 2018 are as follows:

	Principal	Interest	Total
2019	\$ 7,110,000	\$ 28,358,471	\$ 35,468,471
2020	8,785,000	28,191,733	36,976,733
2021	10,565,000	27,964,578	38,529,578
2022	12,025,000	27,546,812	39,571,812
2023	12,400,000	27,092,993	39,492,993
2024 - 2028	68,730,000	129,699,467	198,429,467
2029 - 2033	84,870,000	113,548,350	198,418,350
2034 - 2038	107,235,000	91,180,400	198,415,400
2039 - 2043	133,485,000	64,929,300	198,414,300
2044 - 2049	193,580,000	34,148,500	227,728,500
	\$638,785,000	\$572,660,604	\$1,211,445,604

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE E - LONG-TERM DEBT - Continued

2. <u>Debt Service Reserve Requirements</u>

The Authority has established two Debt Service Reserve Accounts; the 2012 A/B Reserve Subaccount and the 2012 C/D Reserve Subaccount. Amounts deposited into the accounts equal the Maximum Annual Debt Service for the Series 2012 Bonds and are pledged solely to secure repayment of the bond issue.

The balance of these accounts is as follows at June 30,:

	2018	2017
2012 A/B Reserve 2012 C/D Reserve 2017, 2017 B/C Reserve	\$ 12,707,622 14,539,095 31,078,491	\$ 16,705,702 14,589,039 -
	\$ 58,325,208	\$ 31,294,741

3. Due to Other Governmental Agencies

The Authority is indebted to other governmental entities as follows at June 30,:

	2018	2017
Due to State of Florida - FDOT Due to State of Florida - FDOT	\$ 200,074,890	\$200,074,890
State Transportation Trust Fund	13,758,945	13,758,945
Due to other governments	17,315	126,203
	213,851,150	213,960,038
Less current portion	(17,315)	(126,203)
	\$213,833,835	\$213,833,835

The amounts due to State of Florida - FDOT resulted from payments of operations and maintenance costs of the expressway system for the year ended June 30, 2013 and prior which occurred under the Lease Purchase Agreement (LPA) with FDOT from November 18, 1997 - December 20, 2012. The LPA was terminated on December 20, 2012. The Authority agreed to pay FDOT in twenty annual installments beginning July 1, 2025.

The amount due State of Florida - FDOT - State Transportation Trust Fund resulted from advances made to the Authority for the purposes under Section 339.08(2)(g), Florida Statutes, as interim financing for future projects. The amount owed at June 30, 2018 and 2017 was \$12,034,945. The Authority has also negotiated a \$1,724,000 interest free loan. These loans are payable in twenty annual installments beginning July 1, 2025.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE F - COMPENSATED ABSENCES

It is the Authority's policy to permit employees to accumulate earned, but unused vacation and sick leave, which will be paid to employees as of the statement of net position date, or upon retirement from the Authority. The liability for unpaid compensated absences was \$381,064 and \$391,763 at June 30, 2018 and 2017, respectively.

NOTE G - DEFINED BENEFIT PLANS

State of Florida Retirement System (FRS)

All permanent employees of the Authority participate in the State of Florida Retirement System (the "FRS"), a multiple-employer cost sharing defined benefit retirement plan or defined contribution retirement plan, administered by the Florida Department of Administration, Division of Retirement. As a general rule, membership in the FRS is compulsory for all employees working in a regular established position for a state agency, county government, district school board, state university, community college or a participating city or special district within the State of Florida. The FRS provides retirement and disability benefits, annual cost-of-living adjustments and death benefits to plan members and beneficiaries. Employees are classified in either the regular service class or the senior management service class ("SMSC"). The senior management service class is for members who fill the senior level management positions.

Benefits are established by Chapter 121, Florida Statutes, and Chapter 60S, Florida Administrative Code. Amendments to the law can be made only by an act of the Florida Legislature.

Employees may participate in the Public Employee Optional Retirement Program (the "Investment Plan"), a defined contribution retirement program, in lieu of participation in the defined benefit retirement plan ("Pension Plan"). If the Investment Plan is elected, active membership in the defined benefit retirement plan is terminated. Eligible members of the Investment Plan are vested at one year of service and receive a contribution for self-direction in an investment product with a third-party administrator selected by the State Board of Administration. The contribution rates for the years ended June 30, 2018 and 2017 were 7.92% and 7.52%, respectively, for regular class and 22.71% and 21.77% for senior management class, respectively.

For employees in the Pension Plan, benefits are computed on the basis of age, average final compensation and service credit. Regular class and senior management class employees who were enrolled in the FRS prior to July 1, 2011 and retire at or after age 62 with at least six years of credited service or 30 years of service, regardless of age, are entitled to a retirement benefit payable monthly for life, based on their final average compensation of their five highest fiscal years of pay for each year of credited service.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE G - DEFINED BENEFIT PLANS - Continued

Employees enrolled on or after July 1, 2011 and who retire at or after age 65 with at least eight years of credited service, or 33 years of service, regardless of age, are entitled to a retirement benefit payable monthly for life, as explained above, based on their eight highest fiscal years of pay. Using their date of enrollment as a basis, vested employees with less than the minimum years of service may retire before the minimum age and receive reduced retirement benefits.

In addition to the above benefits, the FRS administers a Deferred Retirement Option Program ("DROP"). This program allows eligible employees to defer receipt of monthly retirement benefit payments while continuing employment with a Florida Retirement System employer for a period not to exceed 60 months after electing to participate. Deferred monthly benefits are held in the FRS Trust Fund and accrue interest.

Starting on July 1, 2011, Chapter 2011-68 of the Laws of Florida required members of the FRS not enrolled in DROP to contribute 3% of their salary to their retirement. Governmental employers are required to make contributions to the FRS based on statewide contribution rates. For the year ended June 30, 2018, the contribution rate applied to regular employee salaries was 7.92%, including 1.66% for a post-retirement health insurance subsidy ("HIS"). For the year ended June 30, 2017, the contribution rate was 7.52%, which included 1.66% for HIS. The fiscal year 2018 contribution rate applied to senior management salaries was 22.71%, including 1.66% HIS. For the year ended June 30, 2017 the contribution rate was 21.77%, which included 1.66% for HIS. For the year ended June 30, 2018 the contribution rate applied to the salaries of the employees in DROP was 13.26%, including 1.66% for HIS. For the year ended June 30, 2017 contribution rate was 12.99%, which included 1.66% for HIS. The total contributions for employees covered by the Pension Plan for the years ended June 30, 2018 and 2017 was \$274,080 and \$316,944, respectively.

The Authority also participates in a Deferred Compensation plan (the "Plan") for public employees of the State of Florida, under Section 457 of the Internal Revenue Code, covering substantially all of its employees. The Authority's contributions to the Plan are based upon the employee's salaries. Contributions of \$75,719 and \$75,255 were made to the Plan for the year ended June 30, 2018 and 2017, respectively.

Health Insurance Subsidy (HIS) Program

The Retiree Health Insurance Subsidy (HIS) Program is a cost-sharing, multiple-employer defined benefit pension plan established and administrated in accordance with Section 112.363, Florida Statutes. The benefit is a monthly payment to assist retiree of the state-administrated retirement systems in paying their health insurance costs. For the fiscal year ended June 30, 2014, eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30 and the maximum payment is \$150 per month, pursuant to Section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE G - DEFINED BENEFIT PLANS - Continued

Net Pension Liability

The component of the collective net pension liability of the Authority for the measurement date of June 30, 2018 and 2017 is shown below:

	FRS	HIS	Total
June 30, 2018	\$2,741,202	\$732,728	\$3,473,930
June 30, 2017	\$ 2,018,906	\$ 675,890	\$ 2,694,796

The total pension liability for each plan was determined by the plans' actuary and reported in the plans' valuations dated July 1, 2017 and July 1, 2016 for the net pension liability as of June 30, 2018 and 2017, respectively.

Actuarial Methods and Assumptions

Actuarial assumptions for both cost-sharing defined benefit plans are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS Pension Plan has a valuation performed annually. The HIS program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS Pension Plan was completed as of June 30, 2016. Because the HIS Program is funded on a pay-as-you-go basis, no experience study has been completed for this program. The actuarial assumptions that determined the total pension liability for the HIS Program were based on certain results of the most recent experience study for the FRS Pension Plan.

The total pension liability for each cost-sharing defined plan was determined using the individual entry age actuarial cost method. Inflation increases for both plans is assumed at 2.60% for each of the years ended June 30, 2018 and 2017. Payroll growth, including inflation, for both plans is assumed at 3.25% for each of the years ended June 30, 2018 and 2017. Both the discount rate and the long-term expected rate of return used for FRS Pension Plan investments is 7.10% and 7.60% at June 30, 2018 and 2017, respectively. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. Because the HIS Program uses the pay-as-you-go funding structure, a municipal bond rate of 3.58% and 2.85% was used to determine the total pension liability for the program (Bond Buyer General Obligation 20-Bond Municipal Bond Index) at June 30, 2018 and 2017, respectively. Mortality assumptions for both plans were based on the Generational RP-2000 with Projection Scale BB tables.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE G - DEFINED BENEFIT PLANS - Continued

The following changes in actuarial assumptions occurred during the year ended June 30, 2018:

- FRS: The long-term expected rate of return was decreased from 7.60% to 7.10% and the active mortality assumption was updated.
- HIS: The municipal rate used to determine total pension liability was increased from 2.85% to 3.58%.

The following changes in actuarial assumptions occurred during the year ended June 30, 2017:

- FRS: The long-term expected rate of return was decreased from 7.65% to 7.60% and the active mortality assumption was updated.
- HIS: The municipal rate used to determine total pension liability was decreased from 3.80% to 2.85%.

The long-term expected rate of return, net of investment expense on pension plan investments was 7.10% and 7.60% at June 30, 2018 and 2017, respectively. This rate was determined using a forward-looking capital market economic model. The table below shows the assumptions for each of the asset classes in which the plan was invested at that time based on the long-term target asset allocation. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions and includes an adjustment for the inflation assumption. The expected rate of return is presented in arithmetic and geometric means.

June 30, 2018

Pension Expense and Deferred Outflows/ Inflows of Resources

In accordance with GASB 68, paragraph 54 and 71, changes in the net pension liability are recognized in pension expense in the current measurement period, except as indicated below. For each of the following, a portion is recognized in pension expense in the current measurement period, and the balance is amortized as deferred outflows or deferred inflows of resources using a systematic and rational method over a closed period, as defined below:

- Differences between expected and actual experience with regard to economic and demographic factors - amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees).
- Changes of assumptions or other inputs amortized over the average expected remaining service life of all employees that are provided with pensions through the pension plan (active and inactive employees).
- Differences between expected and actual earnings on pension plan investments are amortized over five years.

The average expected remaining service life of all employees provided with pensions through the pension plans at June 30, 2018 was 6.4 years for FRS and 7.2 for HIS and 6.4 for FRS and 7.2 for HIS at June 30, 2017.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE G - DEFINED BENEFIT PLANS - Continued

The Authority's proportion of the FRS was 0.0093 percent at June 30, 2018, which was an increase of 0.0013 from its proportion measured as of June 30, 2017. At 2018, the Authority's proportion of the HIS was 0.0068 percent, which was an increase of 0.0010 from its proportion measured as of June 30, 2017.

The Authority recognized pension expense of approximately \$811,984, \$507,000 and \$231,000, for the years ended June 30, 2018, 2017 and 2016, respectively.

At June 30, 2018 and 2017, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Deferred Outflows Deferred Inflows

<u>_</u>	υ	1	0

Other Postemployment Benefits (OPEB)

The Authority participates in Hillsborough County, Florida (the "County") health care plan and in the postemployment benefit plan administered by the County. During fiscal year 2017, the County elected to early implement GASB Statement No. 75, Accounting and Financial Reporting for Postemployement Benefits Other Than Pensions.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE G - DEFINED BENEFIT PLANS - Continued

Information related to the County OPEB plan follows:

OPEB Plan Description - The County provides the following health-related benefits to retirees and certain former employees: (a) The County is required by Florida Statute 112.0801 to allow retirees and certain former employees to buy healthcare coverage at the same "group insurance rates" that current employees are charged. Although retirees pay for healthcare at group rates, they are receiving a valuable benefit because they can buy insurance at costs that are lower than the costs associated with the experience rating for their age bracket. The availability of this lower cost health insurance represents an "implicit subsidy" for retirees.

(b) The County offers a monthly stipend of \$6 for each year of service up to a maximum benefit of \$240 per month. The stipend is payable to regular retired employees from ages 62 to 65 and to special risk retired employees from ages 55 to 65. The stipend is to be used to offset the cost of health insurance. Although the implicit subsidy is required by state law when healthcare is offered as an employee benefit, the stipend may be cancelled at any time. The County does not issue separate OPEB Plan financial statements. As a result all required disclosures are included in the County's financial statements.

The Authority's share of the other postemployment benefits liability for the year ended June 30, 2018 is immaterial, and as such, is not reflected in these financial statements.

NOTE H - EMPLOYEE SEVERANCE

The Authority's personnel policies and procedures manual provide unclassified managerial, administrative and unclassified executive management positions a severance benefit upon termination without cause. The number of months of severance pay ranges from three to twelve.

NOTE I - CONTRACTUAL OBLIGATIONS

Consulting Contracts

The Authority has entered into contracts with consultants for design, engineering, technology, construction and other services. The committed, but unspent balances of these contracts were \$171,494,556 and \$21,314,830 at June 30, 2018 and 2017, respectively.

NOTES TO GENERAL PURPOSE FINANCIAL STATEMENTS - CONTINUED

June 30, 2018 and 2017

NOTE J - CURRENT LEASE AGREEMENT WITH TENANT

The Authority leases certain office space and property to tenants which expire in various years through 2034.

The approximate future minimum rentals, including renewal options, to be received under these non-cancelable operating leases are as follows:

Year ending June 30:	
2019	\$ 594,303
2020	φ 534,303 576,430
2021	445,182
2022	46,883
2023	41,682
Thereafter	192,432
	\$ 1,896,912

NOTE K - RISK MANAGEMENT

The Authority is exposed to various risk of loss related to torts; theft of, damage to, and destruction of assets; errors and omission; injuries to employees; and mutual disasters for which the Authority purchased commercial insurance.

NOTE L - SUBSEQUENT EVENTS

The Authority has evaluated events and transactions occurring subsequent to June 30, 2018 as of January 28, 2019 which is the date the financial statements were available to be issued.

SUPPLEMENTARY INFORMATION

TREND DATA ON INFRASTRUCTURE CONDITION

June 30, 2018

The Authority has elected to use the Modified Approach to account for maintenance of its infrastructure assets. The Florida Department of Transportation (the "FDOT") annually inspects the Authority's roadways. The FDOT utilizes the Maintenance Rating Program ("MRP") to assess the condition of the Expressway System. Copies of the MRP manual may be obtained from the State Maintenance Office, 605 Suwannee Street, Mail Station 52, Tallahassee, FL 32399-0450. The MRP manual provides a uniform evaluation system for maintenance features of the State Highway System. The roadways are rated on a 100-point scale, with 100 meaning that every aspect of the roadway is in new and perfect condition. The Authority's system as a whole is given an overall rating, indicating the average condition of all roadways operated by the Authority. The assessment of condition is made by visual and mechanical tests designed to reveal any condition that would reduce highway-user benefits below the maximum level of service. The Authority's policy is to maintain the roadway condition at a MRP rating of 90 or better.

The results of the last three inspections are as follows:

Evaluation Period	
Fiscal Year	Rating
2018	94%
2017	94%
2016	94%

The budget-to-actual expenditures for preservation for the past five years are as follows:

Fiscal Year	Budget	Actual
2018	\$ 3,702,474	\$ 2,749,123
2017	\$ 3,335,147	\$ 2,939,194
2016	\$ 3,133,436	\$ 2,925,092
2015	\$ 3,003,175	\$ 2,919,319
2014	\$ 2,910,880	\$ 2,766,293

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

June 30, 2018

NOTE A - BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal awards activity of Tampa-Hillsborough County Expressway Authority under programs of the federal government for the year ended June 30, 2018. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the basic financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Federal expenditures reported on the Schedule are reported on the accrual basis of accounting. Federal expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE C - CONTINGENCIES

These federal programs are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures and affect the Authority's continued participation in specific programs. The amounts, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Authority expects such amounts, if any, to be immaterial.

NOTE D - SUBRECIPIENTS

The Authority did not provide federal awards to subrecipients.

NOTE E - INDIRECT COST RATE

The Authority did not utilize the de minimus indirect cost rates for reimbursement of grant expenditures for the fiscal year ended June 30, 2018.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Distinguished Members of the Authority
Tampa-Hillsborough County Expressway Authority

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Tampa-Hillsborough County Expressway Authority (the "Authority") as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated January 28, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Distinguished Members of the Authority
Tampa-Hillsborough County Expressway Authority

Report on Compliance for Federal Program

We have audited Tampa-Hillsborough County Expressway Authority's (the "Authority") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on the Tampa-Hillsborough County Expressway Authority's major federal program for the year ended June 30, 2018. Tampa-Hillsborough County Expressway Authority's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Tampa-Hillsborough County Expressway Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Tampa-Hillsborough County Expressway Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Tampa-Hillsborough County Expressway Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, Tampa-Hillsborough County Expressway Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of Tampa Hillsborough County Expressway Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Tampa-Hillsborough County Expressway Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Tampa-Hillsborough County Expressway Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

MANAGEMENT LETTER BASED ON RULE 10.554(1)(i) OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA

Distinguished Members of the Authority
Tampa-Hillsborough County Expressway Authority

Report on the Financial Statements

We have audited the financial statements of the Tampa-Hillsborough County Expressway Authority (the "Authority"), as of and for the fiscal year ended June 30, 2018, and have issued our report thereon dated January 28, 2019.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have issued our Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards;* Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance; Schedule of Findings and Questioned Costs, and Independent Accountant's Report on Compliance with the Requirements of Section 218.415, Florida Statutes on an examination conducted in accordance with AICPA Professional Standards, Section 601, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated January 28, 2019, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no prior year findings nor corrective actions disclosed in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The required information is disclosed in the Notes to General Purpose Financial Statements (see Note A - Organization and Reporting Entity), page 16.

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the Authority has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the Authority did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the Authority. It is management's responsibility to monitor the Authority's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Special District Component Units

Section 10.554(1)(i)5.d, *Rules of the Auditor General,* requires, if appropriate, that we communicate the failure of a special district that is a component unit of a country, municipality, or special district, to provide the financial information necessary for proper reporting of the component unit within the audited financial statements of the country, municipality, or special district, in accordance with Section 218.32(1)(a), Florida Statutes. In connection with our audit, did not note any special district component units that failed to provide the necessary information for proper reporting in accordance with Section 218.32(1)(a), Florida Statutes.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, Members of the Authority's Board of Directors, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES

Distinguished Members of the Authority
Tampa-Hillsborough County Expressway Authority

Report on Compliance

We have examined Tampa-Hillsborough County Expressway Authority's investment policy compliance with the requirements of Section 218.415, Florida Statutes during the year ended June 30, 2018. Management is responsible for Tampa-Hillsborough County Expressway Authority's compliance with those requirements. Our responsibility is to express an opinion on Tampa-Hillsborough County Expressway Authority's compliance based on our examination.

Scope

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and, accordingly, included examining, on a test basis, evidence about Tampa-Hillsborough County Expressway Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on Tampa-Hillsborough County Expressway Authority's compliance with specified requirements.

Opinion

In our opinion, Tampa-Hillsborough County Expressway Authority complied in all material respects, with the aforementioned requirements for the year ended June 30, 2018.

Bries, Dordiner & Company, O.A
