Subject: Twiggs widening - sidewalk widths
Date: Thursday, April 2, 2020 1:17:54 PM

Good afternoon David,

Thanks for presenting the exhibits to us. As discussed, these represent a best-effort at meeting City objectives for walkability and design overlay. Any of the 3 options are acceptable, option 2 is preferable. As discussed, should Arden Mills property be relocated out of downtown through the project duration please ensure the design-build contractor completes the 15' sidewalk connection across the RR crossing on SW corner of Twiggs and Meridian. Thanks,

Vik Bhide
